ABOUT NITTTR, KOLKATA

National Institute of Technical Teachers 'Training & Research (NITTTR), Kolkata, is a Technical Teacher's Training institution situated in Kolkata, West Bengal established in the year 1965. The institute has expanded its horizon by establishing extension centers at Guwahati and Bhubaneswar for reaching out to its clients. The new mandate of the institute has extended its clientele catchment area outside the country encompassing the Technical & Vocational Institutions of particularly SAARC & ASEAN countries. NITTTR was the first among four such institutes (the other three being at Chandigarh, Bhopal, & Chennai) established by the Department of Education, MHRD, Government of India, as fully centrally funded autonomous institution for providing pre & in-service training to the teachers and staff of Degree and Diploma level training institutions and also for conducting various activities related to quality improvement of the technical education system of the country. The Government of India, in 2003, bestowed national status to this institute extending the status to its three sister institutes in recognition of the contribution of these institutes for the expert service rendered for overall improvement of quality of Technical Education System.

ABOUT IMIT, CUTTACK

Institute of Management and Information Technology, Cuttack was established by Govt. of Odisha way back in 1962 as College of Accountancy and Management Studies (CAMS) under Education and Youth Services Department and was providing "Management Accounting" course which was popularly known as Costing College.

In the year 2006, IMIT became a constituent college of Biju Patnaik University of Technology, Odisha under the Department of Skill Development and Technical Education, Govt. of Odisha.

Now, IMIT offers courses like **MCA** (90 seats), **MBA** (180 seats), **M. Tech. CSE** (18 seats) and **M. Tech. CSE (Data Science Specialization)** (18 seats). Twenty students are also pursuing their **Ph. D.** in IMIT Nodal Center under BPUT in Computer Science & Engineering, Management and Mathematics.

ABOUT THE DEPARTMENT

The Computer Science & Engineering Department at the Institute of Management and Information Technology (IMIT), Cuttack, is a hub of academic excellence and innovation. Established with a vision to develop highly skilled IT professionals, the department offers a comprehensive curriculum designed to meet the evolving demands of the technology industry. It started in the year 1997 with MCA and M. Tech. in the year 2009.
